After working cuff, hat is worked in the round. As stitches are decreased and no longer fit on circular needles, divide them among DPNs to complete.

TO ATTACH EARFLAPS: Use a sturdy cast-on, like the cable cast-on. Hold together working yarn and strand left on earflap and knit the first st using both, knit remaining stitches with working yarn only.

I-CORD: place last 4sts on DPN with the yarn tail on the left. From that position, pull yarn firmly across the back and knit the 4sts as you normally would. Without turning the work, slide the sts back to the right. Repeat.
